[working time wikipedia](#)

Working time is the period of time that a person spends at paid labor. Unpaid labor such as personal housework or caring for children or pets is not considered part of the working week. Many countries regulate the work week by law, such as stipulating minimum daily rest periods, annual holidays, and a maximum number of working hours per week. Working time may vary from person to person, often ...

[parental leave wikipedia](#)

Parental leave or family leave is an employee benefit available in almost all countries. The term "parental leave" generally includes maternity, paternity, and adoption leave. A distinction between "maternity leave" and "parental leave" is sometimes made- maternity leave as the mother's leave time directly before and after childbirth and parental leave being the time given to care for newborns.
