## [glossary of professional wrestling terms wikipedia](#)

Professional wrestling has accrued a considerable nomenclature throughout its existence. Much of it stems from the industry's origins in the days of carnivals and circuses. In the past, professional wrestlers used such terms in the presence of fans so as not to reveal the worked nature of the business. In recent years, widespread discussion on the Internet has popularized these terms.

## [glossary of terms co](#)

A page in the Encyclopedia of Marxism. Cognition. Cognition means acquiring knowledge of the objective world. The central concept in the Marxist understanding of Cognition is practice, which is the criterion of truth for Marxism. While the objective world is the source of knowledge, mere existence as part of the world and sensuous contact with the world does not provide knowledge of the world.
